Work History

Freelance Software Engineer | Self Employed

12/2020 - Present

Picking up small side projects for clients as well as doing volunteer work to provide not for profit charities with web services using a wide range of technologies such as HTML, CSS, Bootstrap, Angular, Shopify, and WordPress.

Task Director | E Group LLC

06/2022 - Present

Responsible for leading critical path projects during nuclear plant maintenance periods. Corrected any design and implementation related issues which has resulted in keeping the project on schedule and under budget.

Civil Supervisor | Day & Zimmermann

07/2020 - 06/2022

Handpicked from over 30 peers by senior management to lead multiple teams to support client needs. Organized multiple work groups to work in parallel which exceeded schedule and budget expectations.

Project Manager | Barnhart Crane & Rigging

12/2019 - 07/2020

Managed outages at multiple chevron refineries by providing the client with equipment and manpower needs. Also, completed field safety audits to ensure company and client safety needs are being met.

Education & Accomplishments

- University of Phoenix AS Cyber Security | October 2023
